

2024 Title IX Key Resources

The following collection of resources supports state and district leaders in implementing updated practices in compliance with current ruling to align with the needs of students.

The Biden Administration released its 2024 Title IX Final Rule. All educational institutions that receive government funding are required to be in compliance with the amendments by August 1, 2024. The following is a collection of resources to support state and district leaders through the process of updating their guidance.
